

Building strong businesses  
and strong relationships.

PORTLAND EXECUTIVES  
ASSOCIATION

The Portland Executives Association is comprised of a select group of top quality businesses each represented by an owner, officer, manager or executive head of the respective firm, who are dedicated to the business success of its fellow members.

---

*For more than 95 years, the Portland Executives Association has brought businesses together, each representing its own area of expertise.*

---

- We are diversified by the fact that each member holds a unique business classification.
- We emphasize the development of personal relationships among our members by having weekly meetings to 'stay in touch.'
- Our values express a common desire among all members to achieve excellence in everything we do.

**Business Opportunity** – We deliver value to our fellow members in the leads we provide and promote their business growth in all of our actions

**Collaboration** – We promote and support a diverse and unified membership and, respectful of our traditions, we work together to meet our common goals

**Integrity** – We act with honor in what we say and do financially, personally and professionally, exemplifying the best of class in an environment of excellence

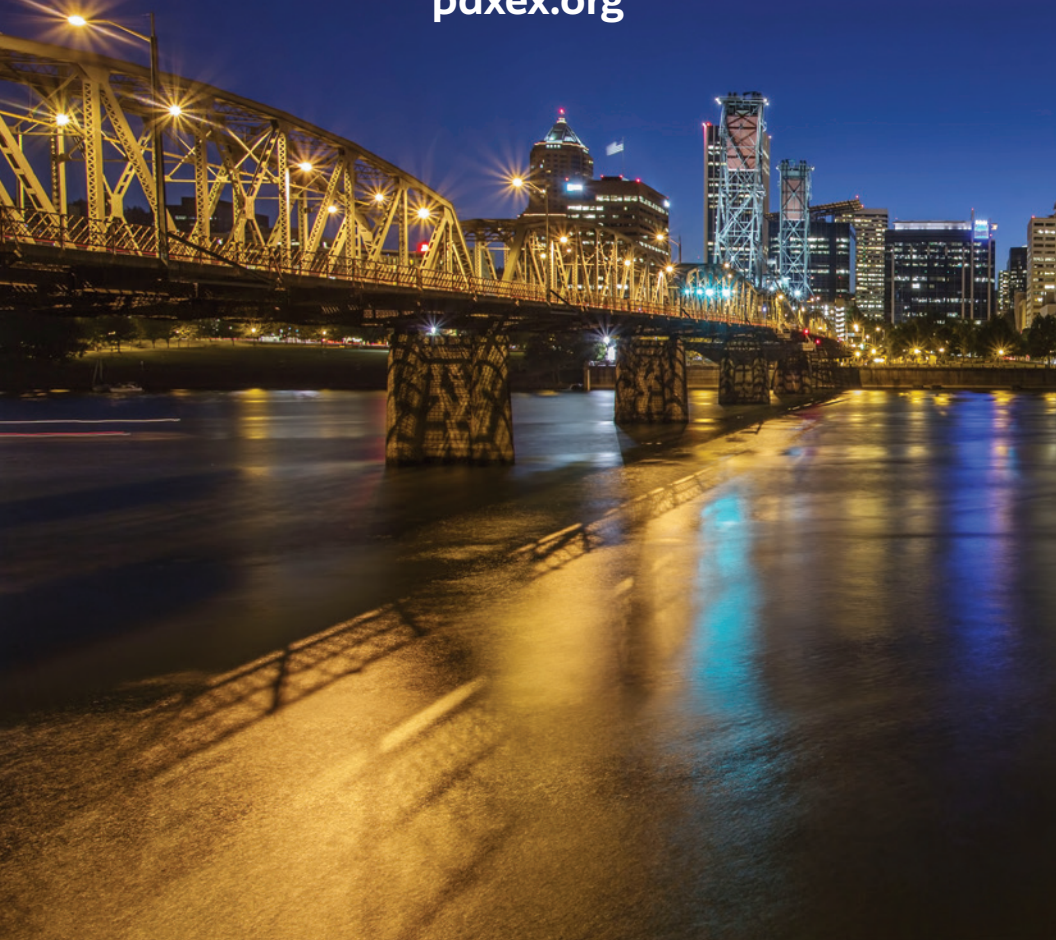

**Professional Growth** – We commit to the ongoing success and professional growth of each member company of Portland Executives
